Reading Word and Comprehension	Focus on: <ul style="list-style-type: none"> Retrieving text Understanding vocabulary Summarising text Inferring text 	Focus on: <ul style="list-style-type: none"> Making predictions Identify the meaning of words and phrase Compare different parts of a text and give your opinion 	Focus on: <ul style="list-style-type: none"> Retrieving text Understanding vocabulary Summarising text Inferring text 	Focus on: <ul style="list-style-type: none"> Making predictions Identify the meaning of words and phrase Compare different parts of a text and give your opinion 	Focus on: <ul style="list-style-type: none"> Retrieving text Understanding vocabulary Summarising text Inferring text Making predictions Identify the meaning of words and phrase Compare different parts of a text and give your opinion
Writing Including: <ul style="list-style-type: none"> Handwriting and presentation SPAG 	Spellings: words with au Adding prefixes Homophones and near homophones Words ending in sion Grammar and Punctuation: Plural and possessive apostrophes Noun Phrases Fronted adverbials Pronouns and nouns Direct speech	Spellings: Words with sion, ssion, cian and tion Words with ough Challenge words Grammar and Punctuation: Adverbial phrases Use of Standard English Determiners Possessive apostrophes Possessive pronouns Using conjunctions	Spellings: Homophones and near homophones Words with -ation Prefixes Words with plural possessive apostrophes Grammar and Punctuation: Expanded noun phrases Reported speech Using paragraphs Using commas	Spellings: Words with sc Words with soft c Word families based on common words Challenge words Grammar and Punctuation: Adjectives and adverbs Direct speech Singular and plural possession Determiners	Spellings: Adding prefixes Words ending in ar and er Adding suffixes Adverbials of time, possibility and manner Grammar and Punctuation: Prepositions Possessive pronouns Standard English Fronted Adverbials Present Perfect tense Reinforcement and revision of Year 4 Grammatical devices and Punctuation

Maths	Number	Addition and subtraction (formal written and mental strategies) Multiplication and division	Fractions and decimals Formal addition and mental subtraction Multiplication and division	Place value; mental addition and subtraction written subtraction Written multiplication Mental division Fractions Mental calculation strategies	Place value in decimal numbers Addition and subtraction, including decimals and money. Multiplication and division (mental and written)	Place value and decimals Multiplication and division (written and mental) Negative numbers Fractions and Decimals
		Measure	Time; length Calculating time intervals and using mm, cm and m.	Using Standard Imperial measures		Time; length including the 24-hour clock
Geometry				2D shapes, including angles, parallel and perpendicular lines, and symmetry	Finding missing lengths and perimeter in composite rectilinear shapes	Area and perimeter; 2D and 3D shapes Reading Roman Numerals Coordinate geometry
Statistics		Interpreting and presenting data on a bar chart and pictograms				Drawing and interpreting line graphs
Science	Animals including humans	States of matter	Living things and their habitats	Electricity	Sound	
	Focuses on the digestive system of humans and animals including the functions of teeth. A look into herbivores, carnivores and omnivores digestion and their place in the food chain and food webs	Looking at the differences between solids, liquids and gases, classifying objects and investigating their properties	Identify, sort, group and classify different things, investigate vertebrates and invertebrates and consider their differences	Learn about how electricity was discovered, identify appliances that use electricity and how to keep themselves safe around electricity, construct circuits and create pictorial circuits	How vibration causes sound How sound travels How sounds can change pitch and loudness and investigate sound proofing	
History	Anglo Saxons	Anglo Saxons	Leisure and Entertainment	Leisure and Entertainment	Crusades	
	Where did they come from, compare Anglo-Saxon kings, Danegeld	Anglo-Saxon life Anglo-Saxon Legal system, The final Anglo-Saxon kings	20th Century cinema, changes in football, swinging 60'	British Holiday Camps, the rise of television, changes in technology and its impact	Richard I captures Cyprus, sale of Cyprus to Knights Templar, compare Knights Templar to Knights Hospitaller, evidence today of the Crusades	

Geography	<p>Somewhere to settle</p> <p>The first towns and cities in the UK. The needs and requirements of early settlers. Choosing a place to make a home throughout the ages.</p>	<p>Somewhere to settle</p> <p>Evidence of Anglo Saxons, Vikings and Roman life in the UK. Investigate the land use of different settlements. Designing a new settlement fit for purpose.</p>	<p>Water</p> <p>Introduces the water cycle and the processes of evaporation and condensation through practical investigations .</p>	<p>Water</p> <p>By considering water as a finite resource, they are introduced to the ideas of conservation and consider some of the issues surrounding supplying clean drinking water to a growing global population.</p>	<p>Africa and South America</p> <p>Focuses on both the human and natural geography of these 2 continents including their countries, cities, climate, plants, animals and landscapes.</p>
Computing	<p>Design and create digital graphics products.</p>	<p>Explore basic coding concepts and artificial intelligence (AI).</p>	<p>Explore basic coding concepts and artificial intelligence (AI).</p>	<p>Internet Research and Communication with another International School.</p>	<p>Introduction to programming using Scratch.</p>
Art and Design	<p>Portraits and different effects</p> <p>Artists – Frida Kahlo, Picasso (Abstract portraits). Vincent Van Gogh, Leonardo da Vinci</p>		<p>Water and Nature Art</p> <p>Monet – Impressionism, Georgia O'Keefe and close studies of flowers, Abstract art. Vincent Van Gogh – Sunflowers.</p>		<p>African Art and Musical Instruments</p> <p>Artists: Smith Olaoluwa (drums), Yoseph Abate, William Mutua, African art paintings.com, Marachi traditional African art, Congo South African art, Tribal art.com</p>
PE	<p>Swimming</p>	<p>Football</p>	<p>Athletics</p>	<p>Invasion Games</p>	<p>Swimming/Rounders</p>
Greek	<p>Sounds of the letters of the Greek Alphabet</p> <p>Numbers</p> <p>Colours</p> <p>The calendar</p>	<p>At school</p> <p>School subjects</p> <p>Daily routine</p>	<p>Myself</p> <p>My family</p> <p>My friends</p> <p>My hobbies</p>	<p>The environment</p> <p>Seasons Weather and Climate</p> <p>Animals from around the world</p>	<p>At a restaurant</p> <p>Food from around the world</p> <p>My house</p> <p>My city</p> <p>My neighbourhood</p> <p>My country</p> <p>Countries of the world</p>
Music	<p>Ongoing Skills: Sing simple songs from memory with accuracy of pitch, in a group or alone; understand the importance of articulating the words to communicate the song to an audience; listen carefully, with attention to detail; demonstrate increasing aural memory and physical control. Listen to, and explore, a range of high-quality live and recorded music ensuring each year group encompasses music drawn from different traditions and cultures and from great composers and musicians.</p>				

	<p>Rock & Roll genre</p> <p>The Beatles</p> <p>Anglo Saxon Music</p>	<p>Music from religious festivals</p>	<p>Music from 20th Century Cinema</p> <p>1960's Music</p>	<p>British Pop Bands</p> <p>Music from Great Composers</p> <p>Orchestral Instruments</p>	<p>African Music – Call & Response</p> <p>Music from South America: Samba</p>	
<p>PSHE</p>	<p>Safety First</p> <p>In this unit of work, children will consider what it means to take responsibility for their own safety. This will include the decisions they make and how they can stand up to peer pressure in a range of situations. They will learn about everyday risks, hazards and dangers and what to do in risky or dangerous situations. They will also learn about road safety and dangerous substances; drugs (including medicines), cigarettes alcohol and e-Safety.</p> <p>LP: Reflective people</p>	<p>Think Positive</p> <p>This unit is designed to build on what the children have already learnt about feelings, both comfortable and uncomfortable and how our attitude towards life can affect our mental health. The lessons centre around themes such as thinking positively and calmly, managing difficult emotions, taking responsibility for decisions and developing a growth mind-set approach to learning.</p> <p>LP: Risk-takers, open minded people</p>	<p>Respecting Rights</p> <p>In this unit, children learn about how they can make choices and take actions that respect the rights of others and challenge stereotypes. They will also learn about rules – why we have them and how they help us.</p> <p>LP: Principled people, Thinkers</p>	<p>VIPs</p> <p>This unit, entitled VIPs will focus on relationships we have with our VIPs. It will look at friendships, how friendships are formed and maintained, and the qualities of a good friend. The lessons will then move on to disputes and bullying and will address strategies for coping with each of these.</p> <p>LP: Communicators, Caring people</p>	<p>One World</p> <p>This unit aims to enable the children to explore the concepts of inequality and stereotypes and encourages them to reflect on what they can do to help make the world a fairer place. In this unit, children also learn about climate change and its effects, fair trading practices and organisations which help people. They will also learn about how to be a good global citizen. LP: Knowledgeable people, Inquirers</p>	<p>Growing Up</p> <p>This topic builds on children's knowledge of the human body; how we grow and change, both physically and emotionally. Children will learn about their own and others' bodies and how male and female bodies play a part in human reproduction. They will also learn about different relationships and family structures.</p> <p>LP: Balanced people</p>
